Rule development (includes waste related rules, too)	\$\$\$		0.85%	Y	Y	X	X	X	

Notes:
1) \$ symbols in the chart are estimates that reflect effort for two years, based on funding with no reductions.
2) The list of activities in the chart represents 14% of the Waste 2 Resources program funding.

Symbols	Dollar (\$) Amount
\$	\$0 - \$100,000
\$\$	\$100,000 - \$250,000
\$\$\$	\$250,000 - \$400,000
\$\$\$\$	\$400,000 - \$550,000
\$\$\$\$\$	\$550,000 - \$700,000

Scope:
This chart reflects only what the Waste 2 Resources program spends on WRR activities or activities with WRR as a main component. It does not include programs that focus just on waste or industrial activities.
